Image Analysis

1. Look at the IPMI 2017 website (http://www.ipmi2017.org). Identify the sessions you would have liked to attend.

2. Choose one of the papers you're interested in. Write a 2-page description of the research, and what you think you might like to work on.

Create a pdf document for your work, and hand in your assignment by typing on a CADE machine:
