Due At 5:00PM March 31, 2015

Answer the following three questions taken from our textbook. Please repeat the full question within your writeup and provide the answer (so that your document is fully encapsulated without the textbook).

1. Page 147 # 6 (25 Points)
2. Page 148 # 9 (25 Points)
3. Page 178 # 4. For this problem, solve the problem specified from the text in the “assignment report” format described in the syllabus. Please keep you answer to 10 single-column pages. (50 Points)
