CS5320/6320
Computer Vision Class Project

Team Members: Eric Johnson, Randy Hamburger

Accomplishments:
Both:
1. Meeting to discuss project on 1/23.
2. Meeting on 1/24 to create Matlab project image data.
3. Identified source of DARPA vision data from Professor Henderson.

Eric:
1. Refining of Matlab images.

Randy:
2. Project Web Update
   a. Posted Weekly Report
   b. Posted Matlab Project Images
3. Contacted Brandon Nichols of DARPA project.

To Do’s:
1. Identify methods to work with Matlab images.
2. Set up a meeting with Brandon Nichols.
4. Begin researching literature for relevant techniques.
