

CS 7934 Paper Discussion Form

Your Name:

Title of Paper:

Authors of Paper:

What are the most important points made in the paper? Summarize the most important points in 1–2 concise but complete paragraphs (*not bullet points*).

What are the main weaknesses of the paper? Do you believe the assumptions and results? If not, why not? Again, make your points in 1–2 concise but complete paragraphs.

If possible, compare this work with other work that you have heard about. If you chased down additional information on this topic, what was it?

IMPORTANT: List 3 questions or points that you plan to raise during the seminar meeting.
